3 Ways To Revamp Your Social Media For LOVE

Use the checklist below to assess how to present yourself online to attract high-quality long-term potential mates.

Post Images Of Friends, Family, Hobbies and Interests

Show your potential mates that you are happy and filled with happiness before they enter your life. Also, these posts show your values to help them decide if you two are compatible. This eliminates wasting time on both sides.

Delete All Man-Hating/Woman-Hating Posts

Coming across angry or disinterested will deter any high-quality partner from approaching you or lead them to believe you aren't interested in commitment.

Delete All Sexual Posts

Any memes that were sexual in nature, lingerie pictures, or the like are a no no. This excludes swimwear on the beach/pool or cultural garb.
